Dear Parents/Guardians and Students:

I would like to take this opportunity to welcome all of you back to school. I am very proud of the work we have done this past school year and I am very excited to begin the new year with all of you. While we have experienced many successes this past year, there is much still to do.

We are working diligently to get ready for the start of the new school year and our support staff has done a wonderful job preparing our buildings. The first day of school for students will be **TUESDAY, AUGUST 30, 2016**. Additional information for the start of school will be forthcoming.

We are very excited for the 2016-2017 school year. While we are sad to say good-bye to our retirees, and wish them well, we welcome the many new, talented and dedicated individuals joining our staff. We have many opportunities planned this coming year for students and parents/guardians to become even more connected with Mid Valley and it is our goal to provide a world-class education both in and out of the classroom.

I would like to say that Mid Valley would not be the great place that it is without all of our efforts combined. If we can be of assistance to you throughout the school year, please do not hesitate to contact us. Please enjoy these last few weeks of summer break as I am sure you will return rested and ready. I would like to thank all of you for your continued support and look forward to a great school year.

Sincerely,

Patrick J. Sheehan, Superintendent
