**WHERE: MID VALLEY
ELEMENTARY CENTER**

ROOM:

TIME: 5:00 PM – 6:00 PM

Why is Mid Valley changing from traditional lockdown –only policy?

- There is a new standard-of-care, which emphasizes the need for pro-active, options-based, strategies. The federal and state government recommendations, as well as, major law enforcement associations support these strategies. ALICE Training is the model upon which these official recommendations were built.
- While there is no active threat to our institution, we have to come to the realization that a violent intruder event can happen any time, any place and for any reason.
- We have a responsibility to those in our care and employment to do all we can to prepare them for this rare event, in not only our location but also wherever they may find themselves.
- ALICE recommend that all student training be age-appropriate with his or her teacher leading the training. This includes using the ALICE Training children's book, "I'm not Scared...I'm Prepared" and the associated classroom workbook for teachers.
